Dear Parents and carers,

This week we commence our intensive exam period with all Year 12 students sitting their English exam on Wednesday. There will be more exams over the coming weeks and we wish all students the very best.

A reminder to all parents and carers that next Monday 31st October is a pupil free day. The staff will be working with a visiting consultant on the day to explore the options that the Flexible Learning Centre presents to us in boosting our students learning. The Flexible Learning Centre is gradually nearing full completion. Some of the fencing has been removed and the area in front of the main entrance is now asphalted. We are working on the connectivity issues and the furniture will be arriving late in January.

“Project Rockit” – a program dealing with cyber-safety, was run over several sessions last Wednesday and was a great success. It engaged all students across the school providing us with strategies to use social media responsibly. Thanks to Paul Thomas for facilitating this.

The Arts and Technology Expo was a wonderful celebration of the creative talents of our students in this area. The work was varied in genre and the students were very proud to show off their work to family and friends. To see so many people attend the expo in our new flexible learning centre and to listen to the comments people were making about our kids work was simply amazing. Thanks to Brett Webber, Bridie Flanagan, Shane Castricum, Kate Alexander, Jill Lewis, Gayle O’Keefe and Gary Michael for their work in setting up the Expo.

The music department presented its new ‘Grand Piano’ to the school community on Friday night. This is a magnificent instrument and I would like to thank the Music support Group for their determination to keep presenting our students with the very best. Scott Solimo turned auctioneer for part of the night and auctioned off the keys as a further fund-raiser during the ‘Cabaret’. The entire evening was a wonderful celebration of all things musical at Wangaratta High School.

An important function of our school is to grow the opportunities for our students to develop their leadership skills. Accordingly, this Tuesday and Thursday our aspiring ‘prefects’ are delivering their election speeches to their fellow students.

Good luck to all the young leaders presenting on the day. John Paola is leading this process we are all looking forward to hearing our future leaders outline their ideas for the school and its student body.

The ‘We Remember’ project that our Yr 8 SEAL class were involved in 2014 and 2015 is still reaping benefits for WHS. Three students from our school were asked to participate in the ‘We Remember’ video and this program has won an award. It also featured students from other schools in the district. Our students are now in Yr 10. Well done.

On Saturday 5th November there will be a commemorative ceremony for the 2/24th at the Wangaratta Cemetery. Our 2/24th ambassador, Faith Hayes-Rodgers, will be attending the service with me and then representing us at a dinner that evening.

Regards,

Mr. David Cummins - Acting Principal

Welcome to term 4’s Mystery Word. This term’s word has four letters, ‘S’ is the term’s second letter.

From the letters printed this term work out the word and ask a parent/carer to sign the coupon, place your coupon in an envelope with your name and answer on the front. Take the envelope to the General Office prior to the day the competition is drawn and place in the box on the front counter.

The winner will be drawn on Friday 2nd December 2016 and will receive a $250.00 voucher from Frank’s Footwear. Good Luck!
On Wednesday 19th October PROJECT ROCKIT came and presented to the students at Wangaratta High School, and what a day it was!

So, what is PROJECT ROCKIT?

PROJECT ROCKIT was launched in 2006 by Rosie and Lucy Thomas, two Australian sisters who saw the opportunity to create real social change by tackling the issue of bullying in school communities. To put it simply, PROJECT ROCKIT builds spaces where imagination, leadership, creative expression and acceptance are available to all young people, regardless of their social label, grades, gender, sexuality or cultural background. PROJECT ROCKIT has now worked with hundreds of thousands of school students and presented at major national and international conferences as (cyber) bullying experts. In 2012, PROJECT ROCKIT launched an innovative online anti-bullying curriculum, which is an Australian first in the fight against (cyber) bullying.

PROJECT ROCKIT is a Certified eSafety Provider through the Office of the Children's eSafety Commissioner, AND are proud to have earned the reputation of “student fave” for all school anti-bullying interventions!

The Year 10 students were the first to participate in PROJECT ROCKIT during session 1. Years 7 and 8 followed in sessions 2 and 3 with the Year 9 students ending the day in session 4. During all session with PROJECT ROCKIT there was lots of laughing, engagement, participation and most importantly students were learning valuable lessons regarding bullying in schools. Students in each year level were encouraged to share stories and ideas about their experiences and possible solutions to stop bullying. PROJECT ROCKIT, in partnership with Telstra, and the program Telstra Kids Fund Digital Futures program aims to arm young people in regional Victoria with the skills they need in the future. PROJECT ROCKIT workshops tackles the important issue of cyberbullying by equipping young people with real and credible tools to stand up to bullying when they see it happen.

Thank you to the Parents & Friends Association for their support with this program.

“The combined first and second year hospitality students had their last class together on Wednesday the 12th. During the year the class has prepared delicious food for a number of functions, including a Chinese Banquet for 80 guests. Second year students will gain a nationally recognised Certificate II in Kitchen Operations. A number of students plan to have a career in food and we wish them all the best for their future endeavours.”

Ms Kim Mcleod– VET Hospitality teacher.
Monday 17th October saw the class of 2016 year 12 students attend their last day of classes at Wangaratta High School. This was the end of a six-year secondary school journey where the students have worked hard to get to this day.

The students then came back to school the next day for their final Hoorah! The students were treated to a cooked breakfast of eggs and bacon sandwiches, fresh fruit and juice by many of the staff who came in early to celebrate with the students. After breakfast the students were taken into the senior school for their last group assembly.

The students were shown a presentation of their school photos from year 7 and their latest year 12 photo, they then watched the opening of this year’s Talent Quest. There were many memories shared, laughs had and a few tears shed during the morning. The students were addressed by Miss Gemma Hunter at the end of the presentation and then it was all in for a bit water play, although for some it was a bit too cold.

The students who will be sitting the VCE exams will spend the next week reviewing, revising and preparing at home and at school for the weeks in front of them. The first exam is English.

Last Friday our Intermediate boys cricket team played in the Hume region finals. At 9.30am on Barr 2 Wangaratta they played Euroa and bowled really well to get them all out for 61 runs. Our openers did a good job and we scored 69 runs in less than the 20 overs and no wickets taken.

**Bowling figures:**
Jacob Beattie 4 wickets for 11 off 4 overs
Joe Moyle 3 wickets for 8 off 3 overs
Tate Pegler 1 wicket for 4 off 1 over
Ned Moyle 1 wicket for 8 off 2 overs
Fraser Ellis 1 wicket for 10 off 3 overs

This built our confidence and set us up for a prospective stellar match against Tallangatta who defeated Wanganui Park in similar circumstances at South Wang.

The final was played on Barr 2 and we were sent in to bat and with an inspiring Captains knock of 83 from Fraser Ellis and 27 from fellow opener Cooper Mathewson-Gray we were well on track for a good score.

All batters did their job and performed well to have 5/159 as our total to be chased. The Tallangatta openers had a slow start as they struggled to score off our opening bowlers Jacob Beattie and Luke Saunders. With awesome bowling efforts from Joe Moyle, Fraser Ellis, Jacob Bartlett and Tate Pegler our fielders were able to capitalise and after the 20 overs had them 3/101.

**Bowling figures:**
Jordan Rufford-Sharpe 1 wicket for 7 off 1 over
Josh Brereton 1 wicket for 15 off 2 overs
Tate Pegler 1 wicket for 17 off 3 overs
Jacob Beattie 0 wicket for 3 off 4 overs
Joe Moyle 0 wicket for 7 off 1 over
Fraser Ellis 0 wicket for 10 off 2 overs
Luke Saunders 0 wicket for 12 off 4 overs
Jacob Bartlett 0 wicket for 26 off 3 overs

**Batting figures:**
Fraser Ellis bowled for 83 (1 x 6 and 10 boundaries) Cooper Mathewson-Gray caught for 27 (3 boundaries) Jacob Bartlett bowled for 14 (2 boundaries) Will Christie caught for 10 (1 boundary) Jacob Beattie bowled for 2 Joe Moyle not out 2

The whole team are to be congratulated on their play and work ethic in the field and now go on to the State quarter final in a few weeks time. We wish them all the best of luck.

The team (see photo)
Back row: (L to R) Mrs Newman, Luke Saunders, Josh Brereton, Harrison Coatsworth (team manager), Ned Moyle, Cooper Mathewson-Gray, Jordan Rufford-Sharpe, Daniel Saunders
Front row: (L to R) Will Christie, Tate Pegler, Jacob Beattie, Fraser Ellis (C), Jacob Bartlett, Joe Moyle
On Monday 10th October the year 11 Psychology students had their annual “Dress up day”. The relevance to the curriculum is to Unit 2 Outcome 2 “Influences on behaviour”. In this section of the course the students investigate different approaches to normality including situational normality and how attitudes are formed. By dressing up, the students are able to experience the effects of standing out in the crowd, stereotyping and the normalising of abnormal behaviour. This is a voluntary exercise that students choose to participate in. Students also promote the subject to junior classes and have a bit of fun on the day.

BRING YOUR OWN DEVICE—2017

Every child with a computer at school – making it happen.

Wangaratta High School is a Bring Your Own Computer Device (BYOD) school. Parents are requested to enable their child to have a BYOD computer, “Ready to Learn” on a daily basis. However, our teachers report a difficult teaching environment where they want to use a range of digital technologies but often use traditional methods as not enough students have their BYOD computers. We understand the challenge BYOD can be for many families. To assist families I have a number of initial suggestions.

Firstly, access the Wangaratta High School web site, follow the pathway – Learning / enrolments/ICT devices. This will provide a brief explanation and the technical specifications required by our network. It will also provide access to our school sponsor Harvey Norman and their Wangaratta High School Portal. If necessary, go to Harvey Norman, Murphy St Wangaratta, and discuss options.

Secondly, what a student needs for their learning at WHS is not a high end gaming machine! There are many sources of second hand computers suitable for learning purposes. Try Google, ‘refurbished computers’, check gumtree and ebay, see if someone has a second hand ipad.

Lastly, contact Mr Paul Thomas at school and he will try to assist with your enquiry. WHS, 57 230 500 or use the contact section of the school internet page.
From Tuesday the 18th of October to Friday the 21st of October Wangaratta High School held its annual Art & Technology Expo. This year the expo showcased a variety of high quality student work from VCE subjects including Media, Studio Arts, VET Media, Product Design & Technology – Wood, Product Design & Technology – Textiles and Food & Technology. With over 100 visitors from Wangaratta High School and its surrounding community attending the opening night and touring through the expo in the following days, Wangaratta High School has again shown what our students are capable of achieving through their hard work and dedication.

The opening evening began with Acting Principal David Cummins welcoming visitors to the Art & Technology Expo and helping celebrate the opening of Wangaratta High School’s newest facility, followed by a speech from our special guest Rachael Casttricum who shared her knowledge and experience in Art Education and Commercial Production with all in attendance, whilst discussing how the skills on display show a bright and promising future for our students.

This year the opening night also allowed visitors to get a taste of the work being created by our music and drama students through the outstanding drama performances of Andrew Lowe, Rachel Christie and Sarah Murphy and musical talents of Zoe Matthews and Lara O’Brien.

Throughout the expo a number of students have been formally acknowledge for their hard work and dedication through awards in each subject area.

**AWARD WINNERS 2016 ART & TECHNOLOGY EXPO:**

- **Year 11 – Product Design & Technology - Textiles** – Alexander Gibson/Paris Willett
- **Year 11 – Product Design & Technology - Wood** – Mathew Vernon
- **Year 12 – Food & Technology** – Alexander Gibson
- **Year 12 – Product Design & Technology - Textiles** – Ella Lowe
- **Year 12 – Product Design & Technology - Wood** – Thomas Brown
- **Year 12 – Visual Communication Design** – Amelia Mathewson
- **Year 12 – Studio Art** – Yakub Garrett
- **Year 12 – VCE/VET Media** – Edwin Phillips
- **Year 12 – Media** – Alexander Darbyshire
- Honourable Mention – Jessica Hordern (Visual Communication Design), Belle Williams (Studio Art), Jennifer Elcock (Product Design & Technology - Wood)
- Most Outstanding – Grace Mullens (Studio Art)
- Acquisition Award – Pheobe Grant (Studio Art)
“Il campeggio italiano” (“The Italian Camp”) in Myrtleford is an iconic event which has been running for 30 years in the North East region and offers a unique Italian immersion experience for regional students of Italian. Italian language teachers and native-speaker assistants from all over the state attend in order to provide students with as much Italian language and culture exposure as possible during the three days of the camp. This year, for the first time, Year 8 students were invited to attend the camp. Here are some thoughts from a couple of students who attended this year ... 

Prof Taylor

In the last week of Term 3, ten students went to the Italian Camp - or Campeggio Italiano - at the Valley Homestead in Myrtleford. We stayed there for three days and were joined by several other schools, including Galen Catholic College, St Joseph's College Echuca and Myrtleford P12 College. Highlights included the “Commedia dell’Arte” performance which is a traditional Italian comedy act that everyone enjoyed, the Red Faces performance where school groups had to quickly come up with a skit and perform it in front of the other students and the disco. Other activities we did were cooking bruschetta, learning to sing Italian songs, drama and making Venetian masks. On the last day, we painted our banners then ate pizza that the year twelves had made. We also celebrated the 30th anniversary of the Italian Camp’s opening and celebrated it with an Italian themed cake. Overall, we made friends, learnt Italian, had lots of fun, and want to go back next year!

Simone Kealy (10F)

This year, ten WHS students attended the 2016 Italian camp in Myrtleford. Celebrating the 30th anniversary of the camp, we participated in drama games, cooking (tiramisu and bruschetta, yum!), singing and dancing (run by Prof Taylor!!) and traditional Italian mask making. We also participated in “Facce rosse” (red faces), where we created and performed our own skit. We watched traditional Italian performances and worked with other schools on workbooks that taught us some very... interesting Italian hand gestures. All of us, from years 8 and up, learned lots but most of all, had fun!

Jordyn Parker Richards (8F)
The Staff v Year 12 competition had finished up with the staff taking home the trophy for 2016. The trophy didn’t come easy though the staff had to fight for it. It all started on the last day of term 1. The staff took on year 12 in AFL9’s. The staff claimed Brad Melville as their own, but even the help from Brad couldn’t get the staff over the line. On the last day of term two the staff played against the year 12’s in basketball, again the big year 12’s were too strong playing some great trick shots. In term three the staff wanted revenge, due to the Olympics we decided to have a special match of indoor soccer against the year 12’s. Again the year 12’s were too strong and took out the win. On the last day of term 3 it was time for the grand final. The staff looked like they were going to be in trouble because of their previous games history. The year 12’s were on 99 points (33 points for each game prior). But the Grand Final was for 100 points and the winner got to take home the trophy. The staff had scored some extra points from student-teachers helping out in the last few weeks of term 3. The staff came out strong but so did year 12 making it a tight contest. In the end the staff came out on top and won the trophy. A big thank you to all year 12’s & staff who played throughout the year. We look forward to playing in 2017 against the ‘new’ year 12s.

The administration office has new opening hours.

These hours are daily from: 8:00am until 4:30pm

For student absences please contact the absentee line 57 230 515

State Schools’ Relief Camps, Sports and Excursions (CSEF) Fund 2017 Year 7 Uniform Pack

In 2017 every Year 7 government school student who is a recipient of CSEF or whose parents have a Health Care Card automatically qualifies to receive a uniform pack that is provided through State Schools’ Relief.

If your child receives CSEF assistance and is in Year 6 in 2016 you can ask for a uniform pack to be provided by State Schools’ Relief through the secondary school your child is enrolled to attend in 2017.

The uniform pack includes basic uniform items needed to start secondary school.

For more information or apply for a pack contact the Wangaratta High School on 57 230 500.
A reminder to students, families and staff that in terms one & four our summer uniform policy is in place. Please ensure that your child has a hat to wear to school, sunscreen on and that they bring plenty of water to keep hydrated.

---

**BREAKFAST CLUB**

The Breakfast Club invites the WHS school community to enjoy a hearty breakfast every Wednesday morning at 8:00am until 9:00am near the Food Technology area between the M and the Senior Years Learning Community.

There is delicious food on offer such as eggs, pancakes, toasted sandwiches, fresh fruit, hot drinks, fruit juice and much more. Staff and students are welcome to enjoy a free and wholesome breakfast to start their day in an informal and relaxed social setting.

---

**VISITING THE SCHOOL**

We would like to remind parents, carers and friends of the Wangaratta High School community that when visiting the school you must do this through the General Office. The office staff will assist you with your enquiry. Entry to the school must be from the Edwards Street entrance. We have a duty of care to all of our students to ensure the school’s grounds are safe and orderly.

If a parent or carer needs to contact their son or daughter, please ring the office and a message will be given to your child. Messages can only be accepted and delivered to students before 3.15pm unless there is an emergency. By working together we can create a safe and positive learning environment for all.

---

**STUDENTS ARRIVING LATE**

Students who arrive late to school must bring a note indicating why they are late. This note is to be given to the Attendance Officer in the General Office when they arrive and this will be recorded.

Parents/carers will be asked to provide a reason for the student’s lateness.

We ask that all students and parents follow this process in order to assist us with accuracy in our attendance records.

---

**CHINA Antipodeans Wine Sale**

Please fill in the form below and return it, and monies to main office at Wangaratta HS by Friday 21st October

These wines are easy drinking local wines at an affordable price. Now is the time to stock the shelf for the Melbourne Cup holiday or even Xmas! Apart from enjoying a nice tipple, you will be helping the Staff Social Club raise money for the Antipodeans Cultural Expedition building project in Shangri La, China.

Each wine needs to be ordered in boxes of a dozen. Some wines will be as clean skins (no label). There are 4 wines to choose from and all sales are cash only.

Wine can be picked up at Wangaratta HS on a date to be advised.

All profits go directly towards the Antipodeans expedition community project.

CAR PARKING AREAS

Parents are asked not to enter the staff car park at any time. This area is for staff parking only.

With the increased use of headphones, students need to be reminded that they must take extra care when crossing roads.

Please be patient and wait for cars and buses to move so that you have clear vision before crossing. Use the available crossings and traffic lights to ensure your own safety, and please look out for others.

CSEF ASSISTANCE

CAMPS, SPORTS & EXCURSIONS FUND (CSEF)-DAIRY ASSISTANCE

As part of the Victorian Government’s dairy assistance package the Camps, Sports and Excursions Fund (CSEF) is being extended to students currently enrolled in government and non-government schools whose parents own, share-farm or lease a dairy farm business; or those people whose primary occupation is working on a dairy farm.

For further information please contact Kylie Fountain, Finance Liaison Manager, the forms can be obtained from the administration building.

BENALLA LAWN TENNIS CLUB
91st Annual Tournament
29 Oct - 1 Nov 2016

Our 91st Annual Tournament will be held from the 29th of October to the 1st of November in 2016.
- 29 Oct (Sat) – Singles (Please note change of days)
- 30 Oct (Sun) – Mixed Doubles and Trivia Night
- 1 Nov (Tue) – Doubles.

We hope you can join us for our annual event which we hope will grow from strength to strength in this new timeslot. The timing not only avoids other tennis tournaments around the region but also brings us into the very popular and successful Benalla Festival, something which adds to the experience of all players over the three days.

We are also pleased to advise that Junior events this year will be part of the Medibank Junior Development Series.

Entry form: [Click here]

For enquiries on our 91st Annual Tournament contact [Pjewell1@bigpond.com]

Please be advised that the Student Transport Unit (DET) and Public Transport Victoria are currently undertaking a network compliance review of the Wangaratta School Bus Network. These are government funded schools bus services, not private charter or public transport (town bus services) services. Whilst parents/guardians have primary responsibility for transporting their children to and from school, the School Bus Program (SBP) assists families in rural and regional Victoria by transporting children to school.

To be eligible for the School Bus Program, students must attend their nearest appropriate school (assessed by year level or denomination) and reside 4.8km or more from the campus attending. Students who do not meet the eligibility criteria and/or do not qualify for a fare exemption (as determined by the School Bus Program Policy and Procedures) may access a school bus program service where capacity allows and upon payment of a fare. The 2016 flat rate fare is $120 per term/$480 per year.

Whilst the review is in operation, all travellers are permitted to travel on School Bus Program services under their current arrangements (regarding eligibility assessments). All families are encouraged to familiarise themselves with the School Bus Program Policy and Procedures, January 2016 and additional resources located on the Student Transport Unit (DET) web site. Please contact Ms Janine Andrea Bus Coordinator, Wangaratta High School, should you have any enquires.

Lunchbox ideas......

It's already Term 4 and ideas for what to bring for snacks & lunch are getting thin. Check out this website for some new ideas to fill your students lunchbox.  https://kidshealth.org/en/teens/recipes/#catrecipes

It’s a great idea to start cooking at home, making something good for school lunchbox’s and a great way to spend time together in the kitchen and teaching some valuable skills to you children.

Northeast Health Wangaratta and ATEL Clinical School Based Traineeships 2017

In 2016 we will offer local secondary students the opportunity to apply for three paid Clinical traineeship positions working one day per week (THURSDAYS) at Iloura Aged Care facility - Northeast Health Wangaratta during 2017.

Trainees will study the Certificate Three in Individual Support (Aged Care) qualification delivered by GOTAFE. This will replace one school subject during their school year.

All students will complete core units including work health safety, infection control and confidentiality. Then students will complete electives related to support and care of elderly residents. All theory is delivered by GOTAFE.

Please note this traineeship requires students to work directly with patients and involves direct care for aged care clients. E.g. showering, dressing, assisting with meals and mobility.

Gain a nationally recognised Certificate III in the chosen field of industry.

Acquire skills and theory related to study for the Diploma of Nursing or Bachelor Nursing.

Greater career, study and employment options will also be available to you.

School-based can give credits towards VCE or VCAL studies.

If you are interested in a school-based or want to know more, log onto www.atel.com.au to register. Enquiries regarding school-bases are welcome and can be directed to ATEL’s Wangaratta office on (03) 5720 0100.

Northeast Health Wangaratta and ATEL Non Clinical School Based Traineeships 2017

In 2016 we will offer local secondary students the opportunity to apply for seven paid NON Clinical traineeship positions working one day per week (TUESDAYS) at Northeast Health Wangaratta during 2017.

NON Clinical positions on offer for 2017 are:
- Supply & Logistics—warehouse, stock supply
- Business Administration- secretarial work, ward clerking
- Finance & Accounting—budding accountants
- Maintenance— for those interested in a trade career
- Kitchen /Hospitality services—budding chefs and cooks
- Cleaning/Orderly—cleaning and supply of line, patient transport
- Instrument sterilisation and preparation ** NB this is a Certificate three qualification and occurs THURSDAYS (see more information below).

Trainees will study the Certificate Two in Health Support Services qualification delivered by GOTAFE. This will replace one school subject during their school year.

All students will complete core units including work health safety, infection control and confidentiality. Then students will complete electives related to the profession they are training in i.e. business studies, accounting, supply, kitchen services.

All theory is delivered by GOTAFE onsite at NHW monthly **except the instrument sterilisation course which is via Mayfield online.

Gain a nationally recognised Certificate II or III in the chosen field of industry.

Greater career, study and employment options will also be available to you.

School-based can give credits towards VCE or VCAL studies.

If you are interested in a school-based or want to know more, log onto www.atel.com.au to register. Enquiries regarding school-bases are welcome and can be directed to ATEL’s Wangaratta office on (03) 5720 0100 or to Di Ward at NHW nhwstudentemail@nhw.hume.org.au.
At Wangaratta High School we place each child at the centre of our thinking. Our focus is to ensure that every child becomes a confident, curious, creative and independent thinker and learner who is able to achieve their personal best. We model and nurture respectful relationships to create a positive environment in which every child can thrive. Our school is a vibrant, innovative learning community based on the principles of quality learning. Our highly skilled teachers design and activate a broad range of programs to engage and challenge, excite and inspire every young person to pursue their unique pathway. Through structured and flexible learning opportunities we empower students to explore and negotiate their learning so that they can make a difference in their school, local and global communities.
