NEWS FROM MRS SARAU

Staffing update
Welcome to Chontelle Partington who is working in the Office during Sue Howlett’s leave, Elena DeFazio who is working with the year 7 Italian team and India-Rose Hutchinson who is work in the year 8 neighbourhood as a teacher support aide.
Robyn Woolley began last week as one of our Teaching and Learning Coaches; Robyn will be working with us on Tuesdays and Thursdays and in the near future she will be joined by Beth Gaut who will also join our coaching team, led by Doreen Wheeler.
Last week it was great to see two of our past students on work placement as part of their Sport & Recreation course working with our Physical Education staff; thank you to Mitchell Franklin and Angus Lawford for their work last week.

Work Experience for year 10 students
Last week most of our year 10 students experienced a week in the wide world of fulltime work. For many the experience has increased their awareness of the requirements of the job and motivated them to work hard to achieve their career goals. For others, they have learned some new skills and have realised that perhaps this line of work is not for them. The positive feedback from employers about our students being reliable, using their initiative, being keen to learn and having good communication skills is very pleasing. The Work Experience program is one that requires hours of preparation and organisation behind the scenes; thank you to Cate West for her work to organise this program, and to the year 10 mentor teachers who supported students to prepare their paperwork and to year 10 teachers who made visits and phone calls to hear about the experiences of our students.

Year 8 Community of Practice in Reading
This year, a team of Year 8 English teachers, led by Lesley Milne the Domain Leader, were fortunate enough to be accepted into a research-based inquiry into the metacognition of reading. An expert, Mary Mason has been working in our school to interview students about their reading as part of the year 8 English team inquiry. This information will be used to establish practices that will support our students to improve their reading skills over time, which we know is one of the key indicators of success with higher levels of studies, regardless of future pathway aspirations.

NAPLAN testing for year 7 & 9
Last week our year 7 and 9 students undertook the National Literacy and Numeracy testing that is competed over three days with testing in reading, writing, comprehension and numeracy. The preparation for the testing was completed by Lisa McLean and Jackie Mitchell and supported by a large number of staff who were allocated to supervise the testing sessions.
The individual student results will be posted home to families when we receive them back in the school. Staff utilise the information from this testing to help them get a picture of where each child’s literacy and numeracy levels are at and this enables them to plan their lessons to facilitate growth in their learning. Thank you to everyone involved in ensuring that this ran smoothly.

Wangaratta High School; Ambassador School as Selected by Ski and Snowboard Australia
Last week Ski and Snowboard Australia announced that Wangaratta High School has been chosen as their ambassador school to promote the new roller ski program. This program is being led by Nick Grimmer who has a wealth of experience as both a skier and a coach at a National level. It is wonderful to see many new and younger students showing interest and taking up the sport. Our school has always been known as a highly successful ski school and this program will support us to build our program even further. Practise sessions are well underway, and I wish our ski teams all the very best for the upcoming season.

Mrs. Heather Sarau

MYSTERY WORD COMPETITION

This term’s Mystery Word has four letters. This is the term’s second letter. From the letters printed this term, work out the word and ask a parent/carer to sign the coupons. Put the letters in an envelope with your name and the answer on the front and bring it to the General Office prior to the day that the competition is drawn.
The winner will be drawn on Friday 10th June and will win a voucher worth $250.00 from Franks Footwear!!

ROAD SAFETY

Parents are asked not to enter the staff car park at any time. This area is for staff parking only.
With the increased use of headphones, students need to be reminded that they must take extra care when crossing roads.
Please be patient and wait for cars and buses to move so that you have clear vision before crossing. Use the available crossings and traffic lights to ensure your own safety, and please look out for others.
First there was sunshine then there was rain, rain rain!!! After such a great run of wonderful autumn weather the sky’s finally opened up over Wangaratta. Amazingly this was no deterrent for our wonderful workers on the building site, they kept going in the rain and only gave up when it was time for lunch. What great work ethic they are showing our students.

For those of you have been on the school grounds or driven past you will have seen great and rapid changes with the new building. Every day there is something new to see and, it is wonderful to see the students and staff to take the time at recess and lunch to stop and have a look through the fence at all that is going on.

On Tuesday 10th May students from year 11 & 12 attended the annual Northeast Health Careers Forum at the Wangaratta PAC. The day was attended by nine schools from the region including; Wangaratta High School, Galen Catholic College, Cathedral College, Benalla HS, Rutherglen HS and Yarrawonga HS to name a few. All the students demonstrated lovely manners to the exhibitors and showed great interest in the sessions that were delivered. The sessions were delivered by professionals in each particular health care sector who all gave their time to answer questions and give hands on experience where they could. Some of the health areas that were on show included sonography, surgical, nursing, paramedics and psychology. The day was supported by GOTAFE, Melbourne University, Charles Sturt University and Mungabareena Aboriginal Corporation. The students gave great feedback about the sessions they attended and gained valuable information about future career pathways. The students were also able to collected lots of freebies and lunch was supplied on the day. The day was sponsored by Rural City of Wangaratta, Northeast Health Wangaratta and the NE Tracks LLEN.
On the 26th of April, the Intermediate Band left for three days of playing our musical instruments, lots of learning and a huge amount of fun. We stayed at the picturesque Mount Feathertop Chalet in Harrietville about and hour and a half drive from Wangaratta. The Intermediate Band, consisting of 32 band members from Year 8, began intensive workshops and practise when we arrived. We covered many new pieces and learnt many more techniques in the time that we were away. In our spare time we played a vigorous game of water polo, had delicious ice cream in Bright, enjoyed movies and games and much more. A huge thank you to Mr Keast, Mr Solimo, Mr Roe and Mrs O’Brien, who came on the camp with us, and helped us grow as musicians and people. The Intermediate Band had lots of fun times and learnt lots.

Emma Christie – Band Captain
Kayla Fisher – Band Captain
Charlotte Mullens – Vice Captain
Shelby Croucher – Vice Captain

A huge thank you to the students and staff who participated in the Mother’s Day stall last Friday 6th May. There were some wonderful pancakes with berries and cream for sale along with delicious cup cakes with lashings of icing. Students and staff could also purchase hand made goods on the day.

Hospitality Appetiser Luncheon

Hospitality Appetiser Luncheon 2016
On the 27th of April the second year hospitality students hosted guests, family and friends, for a selection of appetisers at lunch. The students were are asked to prepare one hot appetiser, one cold appetiser and an antipasto platter as part of a scored assessment task. Being able to prepare for guests is a rewarding part of our hospitality course, we found their feedback invaluable.

Girls Only

Last Wednesday 4th May saw the first of our Year 12 Girls Only Self Defence classes. The group consisted of both students and staff who came prepared with great attitudes and a readiness to participate. The program came about because we wanted to empower our female students and to reinforce the message that nobody can oppress them. We felt that the media depicts stories of violence against women and we wanted to provide our year 12 girls with the skills to defend themselves if they ever needed to.

At first the girls were a bit timid having to kick the kicking bag being held by Miss Hunter and a few were heard apologising to Miss Hunter for kicking her. There were also a few fresh air kicks by some of the girls which gave everyone (particularly the photographer) a giggle.

The classes are on Wednesday evenings in the senior school from 5:00pm and will run for the rest of the term.

Even school administration assistant Sue came and gained some skills along with Miss Moro who gave it her all on the night.
Congratulations to Mr Phil Hunter and his wife Tara on the arrival of their son Edward Charles Hunter.

Edward was born on 28th April at 10:14pm weighing in at a healthy 3'15.

Best wishes to you both from staff & students at Wangaratta High School.

Huge thank you to Graeme Strang who recently donated $200 to the school: $100 to the Music program and $100 to Breakfast club.

A very generous gesture by Graeme, thank you on behalf of the school community.

Thank you.

Thank you to all staff who supported the transition’s sessions held this week for our future year 7 students.

Students visited the library, drama & music classes and the CLC centre.

Due to personal circumstances drama teacher Ms Hunter is unable to coordinate this year’s school production. We are pleased to announce that Ms Rudder has offered to stand in for Ms Hunter. This year casting of the play will only be open to senior school students and we recognise this may disappoint some of our younger budding performers. However, while a whole school production is our usual and preferred arrangement, due to the extenuating circumstances it was important to allow for a form of production that would still give those who are coming towards the end of their schooling a chance for a final show. We look forward to returning to a whole school production in 2017. Further details about this year’s production will be announced shortly.

A reminder to all parents that school bus services are for school use only.
A written note is required from a parent asking for a bus pass, at least 2 days prior to need.
School bus passes are not available for football training, netball training and other social activities.

MYKI Cards for V/Line bus travellers
Bus fees for V/Line travellers may be paid for at the railway station and paperwork collected also. Paperwork then needs to come to the front office at the school to be ratified, then returned to the railway station to receive a MYKI card.

Students must not ride bicycles, scooters or skate boards through the bus area.
There are to be no basketballs/netballs/footballs played in this area.
In accordance with DET guidelines, "where practicable, bus loading areas are 'out of bounds' to all non-bus users." Bus travellers must move away from the bus area as soon as practical to help relieve congestion.

Bus travellers are asked get on and off the bus quietly and do so in an orderly manner.
Behaving appropriately on a school bus enables the driver to concentrate so that everyone stays safe.

Bus fees are due for payment for Term 2, 2016. Fares are due and are payable in advance, as per DET guidelines. Parents are asked to make contact with the school if they need assistance with payment plans.

Please contact the main office on 57 230500 to make this payment.

Wangaratta High School offers an exchange program with our sister school program in Verona, Italy. Each year approximately six students from our school exchange places with students from Liceo Scientifico Statale Girolamo Fracastoro for eight to twelve weeks. The program is open to students from year ten and above and is a wonderful opportunity to experience another culture and way of life.

Please see Ms Lang for more information.
The Australian Centre for Rural Entrepreneurship (ACRE), based in Beechworth, is pleased to present *Most Likely to Succeed*.

If you are interested in new approaches to education that prepare children for the changing face of employment, then this film is for you. This film documents the history of education in the US (much of which is equally applicable to Australia) and challenges the status quo by highlighting new approaches that use project-based learning.

They encourage the critical and creative skills of children to better prepare them for advances in technology, automation and the future of work.

It’s an inspiring film aligned with ACRE’s role of moving young people from job-seekers to job-creators.

It will be screened across north east Victoria in May and you can book your ticket by visiting ACRE’s website [www.acre.org.au](http://www.acre.org.au).

Wangaratta ACCESS ministries Chaplaincy and Wellbeing Support Group’s job is to support our Chaplains in their work in three ways; through prayer, encouragement, and fundraising. Fundraising is essential to meet the gap between Government funding and the costs of placing chaplains in schools. Our fundraising requirement in 2016/2017 financial year is $21,000. The committee conducts a number of fundraising activities each year, which include BBQ’s, Chaplaincy Lunch, Open Gardens and a few other smaller events. We are always looking out for new fundraising ideas. Despite all this activity, the most significant portion of funds comes from donations. Will you please consider this invitation to donate towards this valuable cause?

All donations of $2.00 or more are tax deductible. With this newsletter is a donor slip to assist you with your donation.

Please help us to help our Chaplains support some of Wangaratta’s young people.

If you have any further enquiries, please feel free to contact: Trish Nolan (Acting President/Treasurer) or Ruth Goeby (Secretary).

When a young person is in need, it is important that there is someone safe they can turn to for encouragement and support. Our Chaplains assist in this role in our schools. While our Chaplains differ in their personalities and the programs they use, encouragement and support is central to what they do. Their roles include being available to listen and chat with students as they deal with the issues of life. They also conduct programs that help students move through and cope with grief and loss, anxiety or fear; and others, like peer leadership programs, which help students develop new skills. The encouragement and support our Chaplain’s offer will sometimes extend to the student’s family in times of need.

We currently have 4 chaplains serving in 6 schools across Wangaratta: Wangaratta High School, Wangaratta Primary School, Wangaratta West Primary School, Yarrunga Primary School, Appin Park Primary School and the Wangaratta District Specialist School. The principals and school communities value the work of Chaplains.
