Tutoring

ATAR Notes TuteSmart program

Students studying Year 11 and 12 classes may be interested in exploring the ATAR Notes TuteSmart program. Participants can pay to undertake weekly tutoring classes and private tutoring, <https://tutesmart.com/vce>

Research your university and TAFE course options

Tertiary Admission Centres

State-based Tertiary Admission Centres process course applications on behalf of universities, some TAFE institutes, and some private providers.

You can research courses, prerequisites, selection criteria and ATAR profiles for the 2022 intake.

Courses for the 2023 intake will be updated mid-year but you can use the archived information as a guide.

Websites are listed below

Victoria	www.vtac.edu.au
NSW & ACT	www.uac.edu.au
QLD	www.qtac.edu.au
SA & NT	www.satac.edu.au
Tasmania	www.utas.edu.au
WA	www.tisc.edu.au

Australia wide search

Course Seeker is a fantastic website that enables students to explore courses for each state on the one website.

You can research courses, prerequisites, selection criteria and ATAR profiles for the 2022 intake. Course information for the 2023 intake will be updated later in the year, www.courseseeker.edu.au

TAFE

MySkills is the national directory of vocational education (VET) organisations and courses. You can search for courses or occupations and use a location search.

You can also browse courses and occupations by industries such as health & community services, manufacturing & engineering, and arts & culture, www.myskills.gov.au

National Security Careers

Do you have what it takes to work in intelligence?

The Australian Signals Directorate (ASD) defends Australia from global threats and advances the national interest by providing foreign signals intelligence, cyber security and offensive cyber operations, as directed by the Australian Government.

You can work for ASD through university or apprenticeship pathways:

Apprenticeship

Year 12 students can apply for the Australian Government Digital Apprenticeship program for the 2023 intake. Visit <https://careernews.click/digital> to check for application dates when they are available.

For information on careers and entry pathways, visit www.asd.gov.au/careers

ASD Cyber Security and Robotics Work Experience

Applications are now open for this incredible program running between 11 – 15 July at Canberra. Year 11 and 12 students are welcome to apply as well as high achieving Year 10 students. For information on this unique opportunity visit <https://careernews.click/cyber>

Interested in construction?

Complete this short course and go into the draw to win \$5000!

Year13 have partnered with Construction Skills Queensland to develop a short course for students interested in pursuing a career in construction called 'The New-Print of Construction'.

You will complete quizzes on the following 4-modules:

- Skills of the industry
- Working in construction
- Making it happen
- Gearing up for the job

One successful applicant will win \$5000! For information and to start the program, visit <https://year13.com.au/academy/CSQ>
